- _____ MINOR AMENDMENT - No change in approved position of _____. See comments below.
- _____ OTHER - See comments below.

COMMENTS:

The April 23, 1998 amendment removed language that would have partially conformed California law to the federal tax on excess benefits transactions as it relates to "health care service plans."

The bill now would require only that certain information be made available to the public for copying at the offices of an exempt organization that provides health care services.

As amended the bill would no longer impact the department.
